2009 Cannondale F7 Jumbo Frame (owner was 6'7 male)
2009 Cannondale CAAD Medium Frame (owner 5'8 female)

Both bikes were bought when we lived in Utah. The bikes were rode on the streets multiple times for about a year and made it dirt paths once or twice before we moved to to TN. Both bikes have been hanging in garage for past 5 years and not used at all. Both bikes are in excellent condition and like new.

Will sell both bikes for \$360.00 or \$180.00 each.
